

**Joint Workshop on Holistic Sustainability in Infrastructure:  
How to Insure Projects are Well-Prepared, Deliver Value for Money, and Maintain Fiscal Balance**  
Vienna, April 17-18, 2019

Andreas BECKERMAN  
Federal Ministry for Economic  
Cooperation and Development

Dalibor MILOSEVIC  
Montenegro

Macchiato  
Coff  
OCINO

essor was unhappy with municipality's minority  
eholding and threatened to pull out of  
ership  
d Bank insisted that project remain a  
ership between the private and public  
as a result, the contract was renegotiated to give the  
cipality a majority shareholding in the JV
